Student Council

The student council is composed of a boy and a girl representative from each of the four classes. These members are elected by their respective classes. The council is under the direction of a president elected at large from the student body. Mr. Monninger acts as faculty sponsor of the council.

The important function of the council is to bring ideas from the student body to the attention of school administration. They are responsible for promoting good citizenship and cooperation within the student body. This group organizes and directs all school social functions.

Some school are fortunate in having either good cooks or good custodians. We are doubly fortunate for we have both. The names, Mrs. Bessie Beu, Mrs. Minnie Bruner, and Mrs. Lucille Loyd, are synonymous with good food. The custodians, Mr. Harold McClure and Mr. Herb McCray, always keep the buildings and grounds in top condition.

Minutes of the First Student Council Meeting October 4, 1950

The first Student Council meeting of 1950-'51 was called to order by the president, Norman Foreley. Since there were no previous meetings, the secretary then called the roll.

After this, Mr. Barrett spoke to the council. He said that the Student Council is a representative governing body. The council we have now was organized in 1947. He also spoke on the council that they were not to lead a good council to have a good school.

Our new sponsor, Mr. Gavin, spoke to the council. He suggested that we elect a parliamentary secretary. He also gave some rules on parliamentary procedure.

Carol Woody moved that we elect a parliamentary secretary. It was voted upon and the motion carried. Carolyn Kelly, and Carol Woody were nominated. The council then elected Carolyn Kelly as secretary.

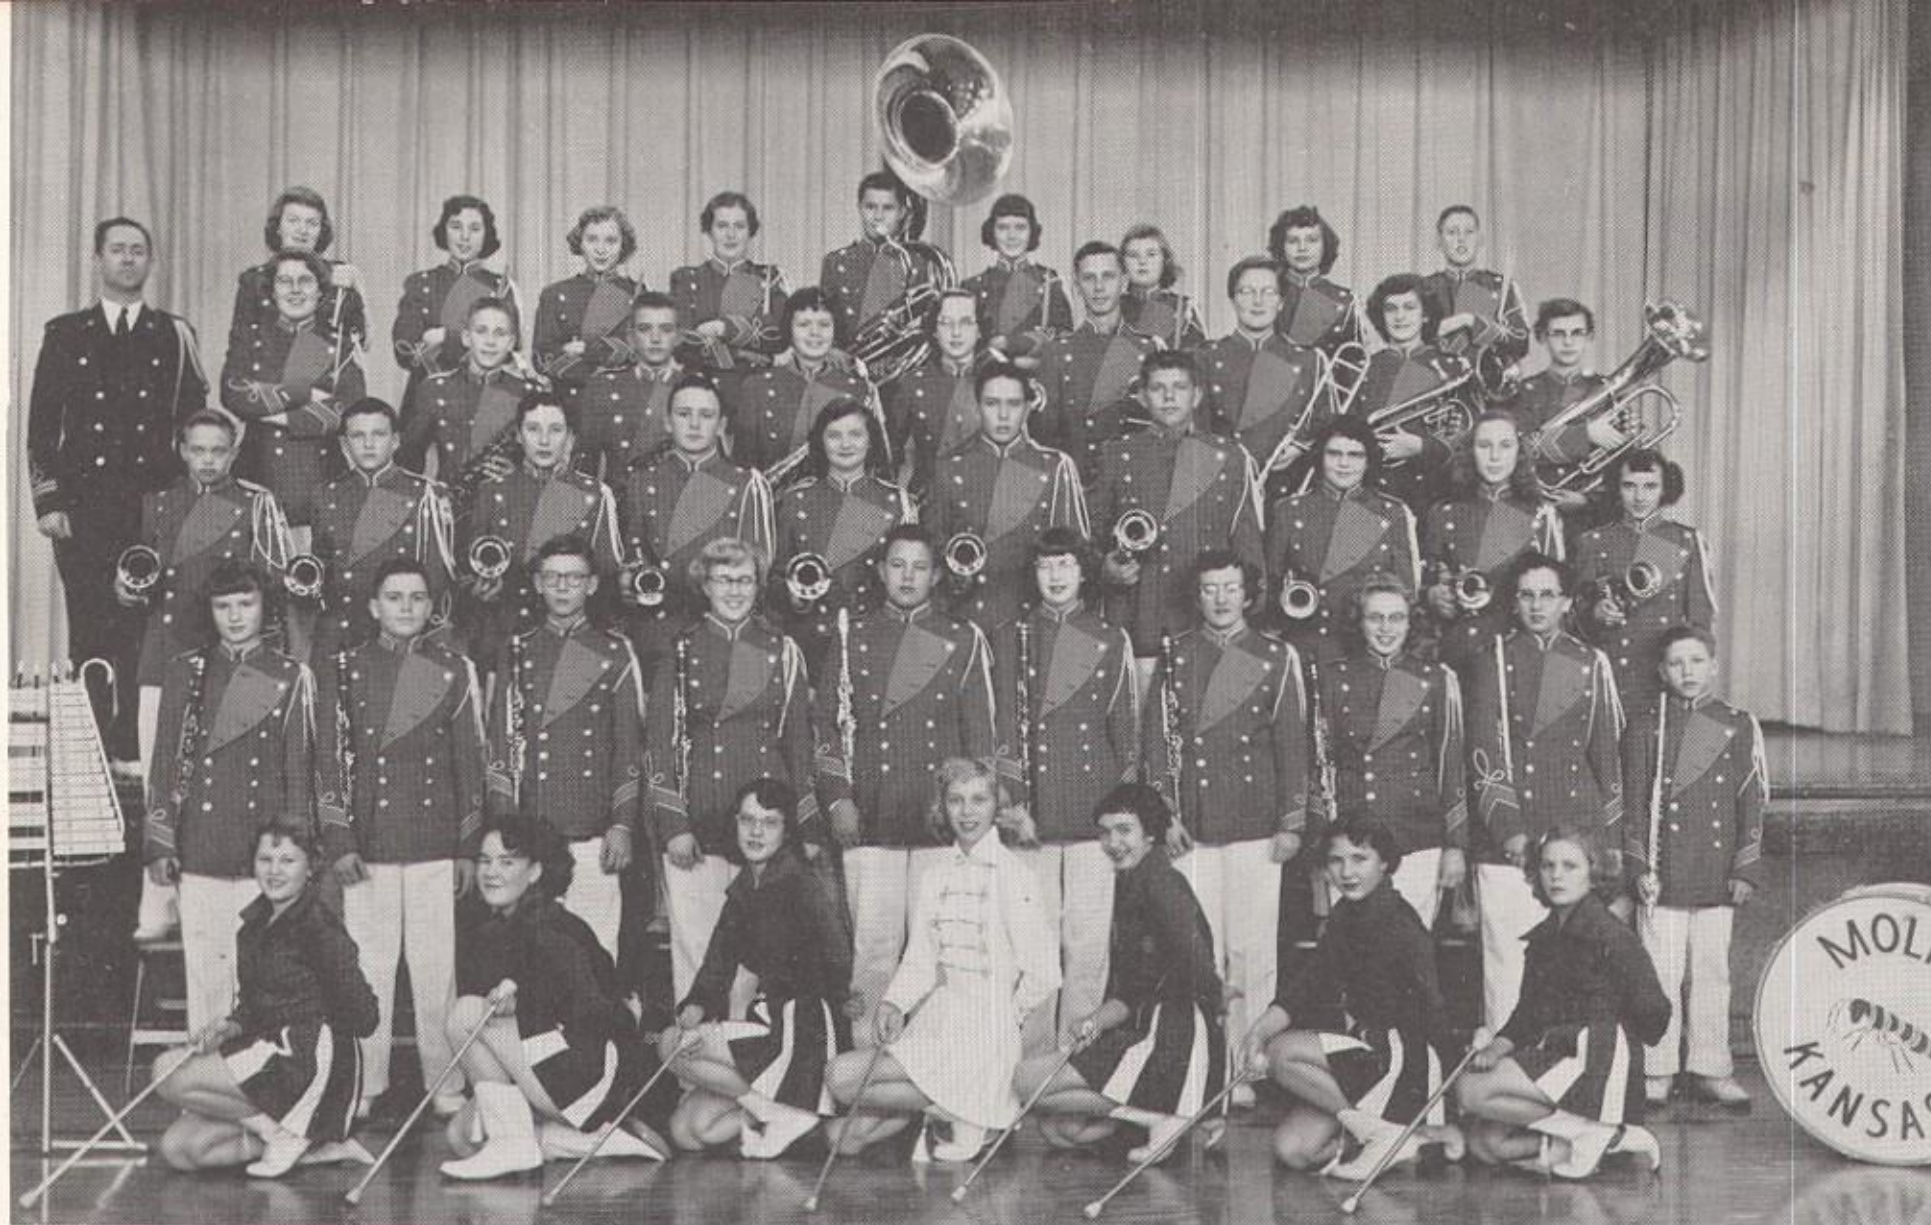

Carol Woody then moved that the council elect a public relations officer. The motion carried. Carolyn Kelly seconded the motion. The council then elected Carolyn Kelly as public relations officer.

The next business taken up was the letter from the Lanes High School. The letter was read and the council decided to send a letter to the Lanes High School. The letter was written by Carolyn Kelly and Carol Woody.

The Moline School Band enjoyed an active and interesting school year. Parades and band shows for the "home" football games were the activities which made the autumnal season the busiest and most colorful of the school year. During the winter season, a "pep" band working in conjunction with the pep club helped the Hornet basketball squad along their way to the completion of a successful campaign.

In the spring the "fancy" of the Moline band members turned to thoughts of music festivals. The band competed in the District music contest, and later participated in a festival at Grenola, Kansas, which featured the combined music groups of four schools of Elk County under the direction of guest conductors.

Miss Carol Hopper was the Hornet band's Drum Majorette for the '55 marching season. The band was under the direction of Robert M. Ferguson.

DUDE BELL

The Moline football team started slowly but finished strong as they won four of their last five games. The overall season record was four wins and four losses, but the Hornets tied for second in league play with a 4-2 standing. Eight boys will be lost through graduation, including Dude Bell, top scorer and ground gainer. Dude was all-league selection for two years and made honorable mention for the all-area team. Jack Mills, fullback; Gary Foust, quarterback; Marvin Smith, center; Bob Ellis, end; Eddie Book, end; Richard Roebuck, tackle; and Larry Loyd, center, will also be sorely missed in the 1956 season. Charles Galvan, fullback; Dell Wharry, tackle; Johnny Vanderpool, tackle; and Bill Larkin, guard, are the returning lettermen.

The Moline "B" football squad played three games, losing two and tying one. Many of the "B" team members were out with injuries. Prospects for the 1956 season look bleak, but with Larkin, Galvan, Wharry, Vanderpool, Vestal and John Ellis returning, Moline could come through with a .500 standing. Frank Harris, Ed Metcalf, and Ronnie Lynes were handicapped most of the 1955 season because of injuries.

The Moline Hornet Basketeers enjoyed one of their best seasons as they won 13 and lost 5 during the regular season. Seven boys carried the load on the "A" team throughout the campaign. Jack Mills, one of the best to participate for Moline, averaged 23 points per contest. Bob Ellis contributed much to the Hornet's success as he averaged 14 points and grabbed at least 20 rebounds per contest. Marvin Smith, Eddie Book, and Gary Foust, the remaining seniors contributed their share of all-around hustle and play to make the season a successful one. Jerry Lowry and Charles Galvan, juniors, brighten the picture for the 1956-57 season.

The "B" squad, led by Frank Harris, John Ellis, Bill Larkin, and Larry Martinez won 11 and lost 4 for a very successful season. Some promising Freshmen who will help the Moline future court successes are Ed Metcalf, Larry Cunningham, Eldon Dershem, and Phil Walker.
